**Preparer Address:** Our firm has multiple office locations to serve our clients. The tax returns leaving our office will show only one of our office locations. This is because our software provider will not allow for the use of more than one address to be linked with the software license. To reduce costs and lower our fees to clients, we centralized our software costs. As a result, only one address can be printed on our tax returns. We apologize for any confusion and consider it a privilege to serve!
